§ 24.278 Tax credit for certain small domestic producers.

(a) *General.* A person who produces not more than 250,000 gallons of wine during the calendar year may take a credit against any tax imposed by Title 26 of the United States Code (other than Chapters 2, 21, and 22), in an amount computed in accordance with paragraph (d) of this section, on the first 100,000 gallons of wine (other than champagne and other sparkling wine) removed during that year for consumption or sale. A proprietor who has a basic permit to produce wine but does not produce wine during a calendar year may not take the small producer wine tax credit on wine removed during that calendar year. A proprietor who has obtained a new wine producer basic permit may not take the small producer wine tax credit on wine removed until the proprietor has produced wine. "Production" of wine includes those activities described in paragraph (e)(1) of this section.

Also, the rules for a "controlled group of corporations" apply in a similar fashion to groups that include partnerships and/or sole proprietorships. Production and removals of all members of a controlled group are treated as if they were the production and removals of a single taxpayer for the purpose of determining what credit a person may use.

(2) *Credit for transferees in bond.* A person other than the eligible small producer (hereafter in this paragraph referred to as the "transferee") may take the credit under paragraph (a) of this section that would be allowed to that producer if the wine removed by the transferee had been removed by the producer on that date, under the following conditions:

(i) Wine produced by any person would be eligible for any credit under this section if removed by that person during the calendar year;

(ii) Wine produced by that person is removed during that calendar year by the transferee to whom that wine was transferred in bond and who is liable for the tax imposed by 26 U.S.C. 5041 with respect to that wine;
